

Breathtaking Birds

Museum of
Natural
History

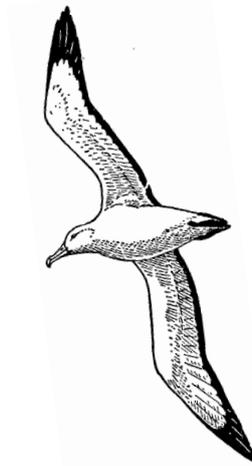

Can you **find** these amazing birds around the Museum?
Find them all on the ground floor.

Puffin

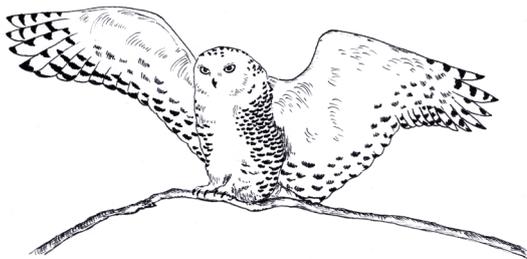

What colour is my beak?

Albatross

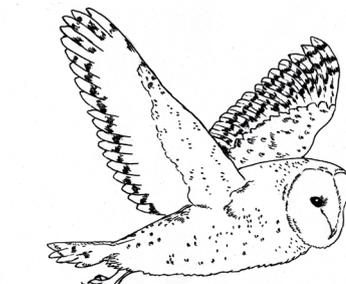

I have the largest wingspan.
Approximately three metres.

Snowy Owl

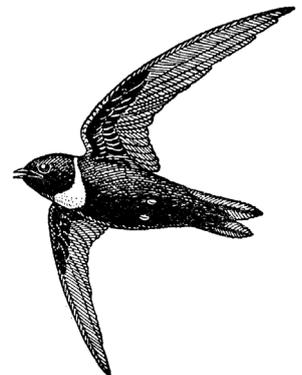

Where do I live?

Barn Owl

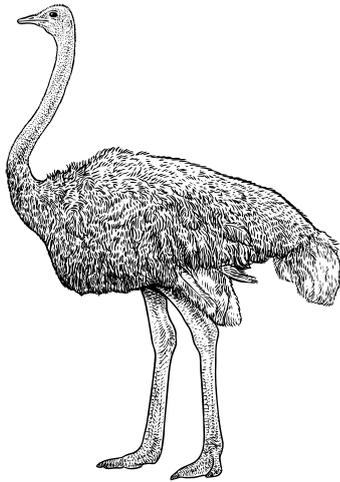

Swift

In the summer, swifts make their
nests in the Museum tower.

Ostrich

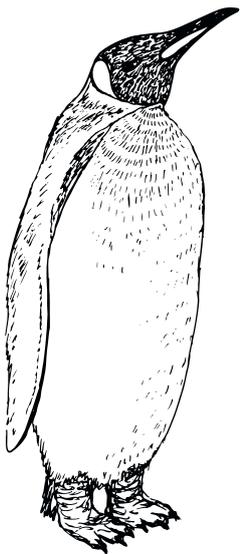

How many toes do I have?
I'm the only bird with this
number.

Peacock

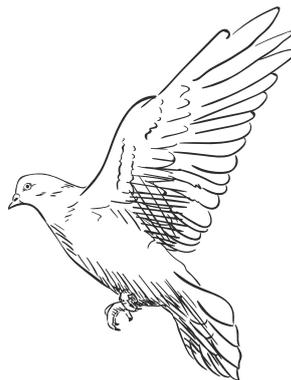

Look at my long tail feather.
What do you think I use them for?

Penguin

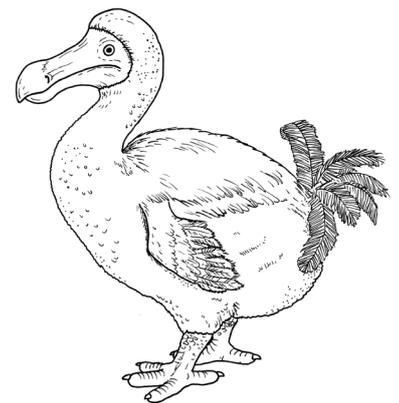

I'm facing away from the
elephant skeletons.

Pigeon

Dodo

Our dodo is famous. It appears
in Alice in Wonderland.
